DANCING TILL DARK!

**Charles
Hoey Park**

*(across from the Duncan Garage
- across from the train station
where most of the 2011
Summer Festival events
were this summer)*

It was only 8 short / long years ago **The Community Farm Store, The Duncan Garage Organic Café and Bakery** (formerly Corfield Café) and the **Duncan Garage Showroom** opened their doors for business in the restored historical Duncan Garage. In celebration, a daylong schedule of musical treats are being featured in Charles Hoey Park for our customers new and old (and soon to be's). This is also our opportunity to celebrate the recent expansion of The Community Farm Store. Customers are invited to come see all the changes, enter draws for beautiful gift baskets and partake in a full day of fun. Yes, we will be serving organic "anniversary" cake at 2 p.m.!

Great chance to check out the other fine businesses in our building.
